

Candlelit Stroll 2024

A seasonal favourite returns to Burlington Downtown for another incredible year.

November sees the downtown transform into a winter wonderland for all to enjoy. Guests to this free event take in the season with festive drinks and treats, winter lights and animations, activities for families and so much more.

The lighting of the Tree of Hope in Civic Square kicks off this seasonal staple, followed by an evening of winter magic through participation of our local small business community.

November 29th
Estimated event attendance: 4,000+
