

Falling for Burlington Downtown 2024

A seasonal success returns to Burlington Downtown for a second year! After an incredibly successful program launch in 2022, the BDBA is thrilled to deliver Falling for Burlington Downtown for a third season.

This free, family friendly, interactive and hands-on event welcomes thousands to our local business community.

Tasty treats, arts & crafts, seasonal drinks, shopping and interactive activities stretched from Brant Street to Village Square.

Dedicated to the celebration of all things Fall, this event captures the tastes, feelings moments & experiences of a truly magical season.

Event attendees were thrilled to meet us over the rainbow and explore their heart's desires in their own backyard. They just had to follow the yellow brick road!

October 5th 2024

Estimated event attendance: 10,000+
